Visakhapatnam is connected by air to all major International airports in India.

PROGRAMME HIGHLIGHTS

Apart from general papers and presentation on Bauxite, Alumina & Aluminium Industry of the World, following special sessions will be organised during these 3 days symposium:

- Raw materials security for aluminium industry
- Future Trends in Non-metallurgical Bauxite Industries
- Waste Management & Utilization
- Innovations in Alumina Refining
- Developments in Special Alumina and Alumina ceramics
- Technology upgradation & Innovations in Aluminium Smelting
- Future Trends in Alumina & Aluminium Markets
- Challenges to sustained Aluminium downstream products
- Analytical techniques in Aluminium Industry
- Environment Management & Sustainable Developments

Post conference visits are being finalized and will be announced shortly. Probable sites would be East coast Alumina Refineries of India, Aluminium Smelter, Pet Coke Plant and JNARDDC, Nagpur.

Authors, experts and industry professionals are invited to submit abstracts/papers for technical presentations in the Conference.

Abstract ~ 31st July 2014

Final manuscript in English ~ 30th September 2014

Power Point Presentations in English ~ 31st October 2014
